Engr. Imaad Ullah Khan Yameen · [linkedin.com/in/imaad-ullah-khan-yameen](https://www.linkedin.com/in/imaad-ullah-khan-yameen) · 15 positions, as listed on LinkedIn (26 Sep 2026)

GET Engineer

Pakistan Engineering Council · Contract

Sep 2026 – Present · 1 mo | Peshawar, Khyber Pakhtunkhwa, Pakistan · On-site

Learning & Training on Soft Skills in PGMI hayatabad Phase IV Peshawar KPK Pakistan Under PEC and thier soft skills Trainers.

Skills: Communication, Team Leadership and +5 skills

AI Agent Internship Internee

Pak Angels · Internship

Aug 2026 – Present · 2 mos | Pakistan · Remote

Worked as AI Agents Learner, Oberver and Developer. Worked with different AI LLM that includes, ChatGPT, Gemini, Claude, Grok. Worked with streamlit and gradio like web apps platforms, hackathons and entrepreneurship.

Skills: Programming, Python (Programming Language) and +7 skills

GIS & Remote Sensing Intern

AI Geo Navigators · Part-time

Jul 2026 – Sep 2026 · 3 mos | Islamabad, Islāmābād, Pakistan · Remote

Learning about GIS, GEE, Remote Sensing, AI/ML, Harazrd Control and Risk Assessment.

Media: Task #1 – Pakistan Population Index; Task #2 – “Pakistan Population vs. Land Surface Temperature Dashboard in Google Earth Engine”; internship completion certificate.

Skills: Critical Thinking, Remote Sensing and +5 skills

Graduate Engineering Trainee

Pakistan Council of Scientific and Industrial Research (PCSIR) · Full-time

Apr 2026 – Sep 2026 · 6 mos | Peshawar, Khyber Pakhtunkhwa, Pakistan · On-site

GET placement program by PEC at PCSIR Peshawar KPK Pakistan.

Media: internship certificate; receiving certification from DG PCSIR Peshawar (11 items).

Skills: Finite Element Analysis (FEA), Critical Thinking and +25 skills

Exam Investigator

BISE Peshawar · Contract

May 2026 · 1 mo | Peshawar, Khyber Pakhtunkhwa, Pakistan · On-site

Conducted the BISEP HSSC I & II Examination Duties & Activities, Perfoemance Monitering & Ensure safe conductance of examinations.

Media: letter of contract.

Skills: Critical Thinking, Investigation and +2 skills

Computer Aided Design Designer

SK Engineering & Manufacturing · Full-time

Jan 2026 · 1 mo | Jaloza Industrial Zone, Pabbi Jaloza · On-site

Works as Solid Works Cad Designer, and work on mold design and material gauge design.

Skills: Critical Thinking, Team Management and +9 skills

FYD Project Head

Northern Bottling Co. (Pvt) Ltd. (Franchise of Pepsi Cola International) · Internship

Sep 2024 – Aug 2025 · 1 yr | Peshawar, Khyber Pakhtunkhwa, Pakistan · Hybrid

As the FYDP Project Head at Northern Bottling Limited, you led a high-impact initiative from September 2024 to August 2025 focused on operational efficiency. Key achievements include:

- System Optimization: Spearheaded the analysis and implementation of a plan that improved inventory inspection efficiency by 25%.
- Process Automation: Engineered and programmed an automated UAV system to replace manual warehouse counts, significantly reducing human error.
- Leadership: Led a cross-functional team to streamline routine industrial checkups through advanced tracking and system automation.

Skills: Analytical Skills, Finite Element Analysis (FEA) and +41 skills

Society Deputy Design Head

University of Engineering & Technology Peshawar · Part-time

Sep 2023 – Jul 2025 · 1 yr 11 mos | Jalozai, Pabbi · Hybrid

Designer & Inspection Designer | IISE Student Chapter, UET Peshawar, Jalozai Campus

Served as the lead for visual and technical design within the Institute of Industrial and Systems Engineers (IISE) society. In this dual role, I spearheaded the creation of high-impact digital assets and technical layouts to promote departmental initiatives and professional events. As an Inspection Designer, I applied industrial engineering principles to develop standardized evaluation frameworks and quality control checklists for society activities, ensuring all projects met rigorous organizational standards and operational excellence.

Skills: Critical Thinking, English, +5 skills

Industrial Engineering Student

University of Engineering & Technology Peshawar · Full-time

Nov 2021 – Jul 2025 · 3 yrs 9 mos | Peshawar, Khyber Pakhtunkhwa, Pakistan · On-site

I hold a Bachelor of Science (BSc) in Industrial Engineering from the University of Engineering & Technology Peshawar, which I am pursuing from September 2021 to August 2025. My academic performance is strong, with a GPA of 3.72/4.0. My coursework has covered core subjects such as Operations Research, Quality Control, Supply Chain Management, and Production Planning. I have also gained knowledge in Lean Manufacturing, Project Management, Industrial Automation, Engineering Economics, Ergonomics, and Facility Layout Design. My final year project involved the "Automation of Warehouse Inventory Control System Using Automated UAV". This project focuses on designing, manufacturing, and programming an automated UAV to perform routine check-ups and inventory counts in warehouses, aiming to minimize errors and automate the process.

Media: PEC registration, engineering degree, exhibition day photos (5 items).

Skills: Analytical Skills, Six Sigma, +43 skills

Management & CNC Internship

SK Engineering and Manufacturing · Internship

Jul 2024 – Sep 2024 · 3 mos | Peshawar, Khyber Pakhtunkhwa, Pakistan · On-site

Working as internee for practical experience of theoretical works on related processes like cnc machines and inventory control etc.

Media: company logo; working and testing CNC router machine.

Skills: Analytical Skills, Six Sigma and +18 skills

Management & Mechanical Intern

Dewan Cement Limited · Internship

Jun 2023 – Aug 2023 · 3 mos | Harnai District · Hybrid

Worked as Internee for Observation and data collection in different sectors of industry.

Media: certification, company, logo.

Skills: Critical Thinking, Meteorology and +14 skills

Electronic Interne

universal electronics Peshawar · Apprenticeship

Feb 2020 – Apr 2020 · 3 mos | Peshawar, Khyber Pakhtunkhwa, Pakistan · On-site

Works as an intern for understanding and experiencing different types of electronics and its various functions and the problem and issues that arise with it and how to deal with them.
